

This form may be used for remitting the required quarterly estimated tax payments for the current calendar year (or taxable fiscal year) or for remitting your extension payment. **Do not use** Form URT-Q(w) to remit any other income tax payments. The annual Utility Receipts Tax Return, Form URT, is available as a separate form.

If a taxpayer's annual tax liability exceeds one thousand dollars (\$1,000), the taxpayer is required to file quarterly estimated payments and remit twenty-five (25) percent of the estimated annual tax due on each quarterly return. Assistance and preprinted quarterly payment coupons may be obtained by calling the Corporate Income Tax Section at (317) 615-2662.

If the taxpayer's annual liability exceeds forty thousand dollars (\$40,000), the taxpayer is required to pay the quarterly estimated tax liability by electronic funds transfer (EFT). If the payment is made by EFT, the taxpayer is not required to file an estimated return. The EFT registration form, EFT-1 may be obtained on the Department's web site at www.IN.gov/dor/taxforms/pdfs/eft-1.pdf. Questions concerning the EFT registration process may be directed to departmental personnel by calling (317) 615-2695.

For Completing Form URT-Q(w) for Quarterly Payments

Compute twenty-five (25) percent of the annual estimated utility receipts tax or indicate the exact amount of tax due for the quarter. You may reduce the quarterly estimated payment by the amount of your overpayment of tax from a prior year which was applied to your estimated account. Enter the net amount on the appropriate remittance form. An authorized officer must sign and date each remittance form. Mail payment by your quarterly return due date. The effective tax rate is 1.4%.

The quarterly estimated utility receipts tax return with payment is due on April 20, June 20, September 20 and December 20 of your taxable year (if filing on a calendar year basis). If filing on a fiscal year basis, the quarterly estimated utility receipts tax is payable on the twentieth (20th) day of the fourth, sixth, ninth, and twelfth month of the taxable year.

Refer to Commissioner's Directive # 18

For Completing Form URT-Q(w) for an Extension Payment

This web version of Form URT-Q may be used to make an extension payment. It is to be used when a payment is due and additional time is necessary for filing the annual utility receipts tax return. A penalty for late payment will not be imposed if at least ninety (90) percent of the annual tax due is paid by the original due date and the remaining balance, plus interest, is paid in full by the extended due date. A copy of the federal extension of time to file form must be attached to the annual return when filed.

The extension payment is due on the fifteenth (15th) day of the fourth month following the close of the tax year.

The U.S. Postal Service postmark date is used to determine if a return is timely. Please be aware of the local postal service's hours of mail pickup.

Payments must be made with U.S. funds.
Please do not send cash, or include check
stubs when mailing your payments.
